

Family Orientation

- A tour of the facility
- An introduction to the teaching staff
- A parent visit with the classroom teacher (child's classroom)
- An overview of the parent handbook
- The policy for arrival and late arrival
- An opportunity for an extended visit in the classroom by both parents and child for a period of time to allow both to be comfortable
- An explanation of Texas Rising Star quality and certification
- A statement encouraging parents to inform the center of any elements related to their Child Care Services enrollment that the center may be able to help with
- An overview of family support resources and activities in the community
In addition, evidence of local, accurate and current community resources that are available and accessible to families.
- Information on child development and developmental milestones.
- In addition, the center will ensure that families are being provided a variety of resources and opportunities (physical and online) that assist them in learning more about the growth and development of their child.
- A statement informing parents of the significance of consistent arrival time, including the point that children should arrive before educational school readiness program begins, to limit disruption and allow for consistent routines in preparing children for the transition to kindergarten.
- A statement to parents regarding limiting technology use on site to improve communication between staff, communication between the parent and teacher and the parent and the child, it is best if parents are not distracted by use of electronic devices while at the center/home.
- A statement to parents reflecting the role and influence of families.

I was provided the above prior to my child starting care at:
